Our Speakers

Daniel Wyner

Chief Executive, Government & Justice, ReadyTech

ReadyTech's Chief Executive of Government & Justice, with 15+ years of tech expertise. Daniel served as ReadyTech's Chief Executive for its Workforce Solutions segment for 5+ years. During his time with ReadyTech, Daniel has played a key role in acquisitions, integrations, new products, & ReadyTech's ASX listing. He is passionate about uniting ReadyTech's government segment to drive better outcomes for customers.

Craig McLaughlin

Head of Strategy & Solution Design, ReadyTech

Craig has 25+ years in the sector, he excels in building software products. He remains passionate about the industry, dedicating time to product demos and discussions, meeting the needs of ReadyTech Government customers. Don't miss this opportunity to gain insights from a seasoned industry leader!

Ryan Newstead

Enterprise Product Manager, Procurement, ReadyTech

Ryan has 18 years' of experience with ReadyTech, and a strong background in enterprise tech. He has extensive knowledge relating to the business and functional requirements of our clients, which allows him to deliver best-practice solutions that carefully align to clients' needs.

Marc Washbourne

Chief Executive Officer, ReadyTech

Marc Washbourne is ReadyTech's Co-Founder and CEO, overseeing its growth from early product development in 1999 to leading the ASX-listed technology company with a significant reach across education, workforce management, government and justice sectors – from Australia to a global customer base.

Daisy Price

Procurement Business Partner, Bass Coast Shire Council

Kelly Stevens

Coordinator Procurement & Fleet, Bass Coast Shire Council

Lizelle Hughes

Director of SaaS & ISV Partnerships, Microsoft

Lizelle is the leader of the ISV Partnerships team at Microsoft Australia, and is focused on the success of Australia's digital and technology companies. With over 23 years of experience in various roles – spanning technical consultancy, technical pre-sales, product marketing, strategy, sales, technology partnerships and channel, Lizelle is passionate about the long term success and innovation of the Australian ICT landscape.

Vijay Pindiganti

Head of Consulting, Finance & Enterprise Assets Management, ReadyTech

Vijay is an accomplished, process-oriented, results-driven, and customer focused consulting professional. With over 20 years of experience in driving efficiency and effectiveness in IT and Project Management, Vijay is the Head of Consulting - Finance, Payroll & Enterprise Assets and has a strong commitment to delivering customer centric programs, systems and processes.

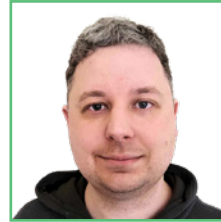

Russell Doig
Head of Operations, Procurement, ReadyTech

Russell joined ReadyTech in 2001, as Head of Operations, Procurement. Russell has been integral to the strategic development of Ready Contracts and continues to be a major contributor to the success and growth of the business. He leads the Melbourne-based delivery team of consultants, developers, and support, to ensure successful outcomes for all client engagements.

Eliza Sbizzirri
Product Manager, ReadyTech

Darren Cottam
Senior Finance Consultant & Developer, ReadyTech

Nicole Larkins
Scrum Master, ReadyTech

Nicole has more than 20 years of IT and consulting experience as well as a broad understanding of the software development lifecycle. Her experience enables her to perform a vast number of roles across the delivery stream, her key areas of expertise are in business analysis and technical solution design and working with stakeholders to drive solutions.

Melisa Perkins
Senior Consultant, Procurement, ReadyTech

Melisa joined ReadyTech in 2011 and has developed a wealth of knowledge and skills in various client facing roles across the Procurement Team, including support, account management, training design, delivery and consulting. She enjoys working closely with clients and understands the importance of the human element in driving the user experience.

Susan Furber
Head of Professional Services, ReadyTech

Susan brings a variety of experience to ReadyTech, with previously working both in and out of the IT industry. With her broad scope of knowledge, she is eager to help solve challenges and develop her team to successfully implement their product with clients.

Rajesh Sundaresa
Senior Project Manager, ReadyTech

James Anderson
Finance Manager, George Town Council

Sharmani Pegrum
Implementation Consultant, ReadyTech

Sharmani has a wide variety of experience in the WA Local Government sector and with procurement systems. Prior to joining ReadyTech in 2022, she was the Strategic Sourcing and Contracts Specialist at City of Stirling, whereby she was responsible for the implementation of Ready Contracts. Now at ReadyTech, Sharmani assists customers with maximising the benefits of the Ready Contracts solution with needs analysis and system improvement.
